

Officials Pathway

Find the route you need to take to become a qualified table tennis official.

We would not be able to run any of our tournaments without Officials. These are the volunteers who give their time to organise or referee events, or umpire matches, ensuring they are run smoothly and within the laws of table tennis.

If you are interested in becoming an Official please download and read the document attached below, which outlines the career progression for table tennis officials from local international level.

Once you have decided upon a qualification that you would like to receive [please register an interest here](#).
